

How to cash in Incentive Prizes

The Passport to Winter Fun Incentive Prizes are listed on the green sheet in the Passport (or you can view PDF below under the *Parent & Teacher Resources* tab). When your Passport Participant reaches the 10, 20 and 30-Day milestones, they can pick a prize (3 prizes total) and enjoy the incentive!

In order to cash in the Incentive Prizes, participants **MUST** have passport **PRESENT**, at the business, to redeem. The business will verify that the participant has completed the physical activity, stamp in the space here and send the Participant on to enjoy the prize!

The key here is that **the Passport is your ticket to the incentive prize** – you do not need vouchers, you do not need to call the business in advance to confirm. Observe usual business hours, take the passport in person, get it stamped and enjoy the activity!

Once you finish enjoying the earned incentive prize, don't forget to take your Passport home and continue working towards more prizes!
