

Date: August 2018

Location: Lebanon, NH

Project Partners:

Dartmouth Hitchcock Medical Center

Upper Valley Trails Alliance

Geo-Con & Mascoma Bank

Project Overview: UVTA completed improvements to the Schweitzer Trail network on Dartmouth Hitchcock Medical Center campus, r, NH.

Accomplishments:

- Construction of a new trail to connect the network to the Jack Byrne Center for Palliative & Hospice Care.
- Led over a dozen volunteers to improve entire network through clearing obstacles, improving tread, and constructing drainage structures.
- Installation of stepping stones for water crossing.

Total Costs: ~\$1400 (including material)
