

Date: 2012-2014

Location: Norwich, VT

Project Partners:

Town of Norwich

Upper Valley Trails Alliance

Hermit Woods Trailbuilders

Project Overview: UVTA installed over 350 stone steps on the Gile Mountain Trail between the trailhead on Turnpike Road and the summit fire tower.

Accomplishments:

- Significant sustainable trail reroutes.
- Transportation of tens of thousands of pounds of trail material in hundreds of tracked hauler trips.
- Installation of over 350 rock steps.

Total Costs: ~\$50000 (including material)
