

Date: 2017

Location: Norwich, VT

Project Partners:

Montshire Museum

Upper Valley High School Trail Corps

Project Overview:

UVTA with the Upper Valley High School Trail Corps constructed several structures on the Woodland Garden Trail in Montshire Museum trail network in addition to annual maintenance of all trails.

Accomplishments:

- Replacement of a bridge on the Woodland Garden Trail.
- Extensive rock work to mitigate erosion and improve tread on the Woodland Garden Trail.
- Construction of a railing and installation of stepping stones on the Woodland Garden Trail.
- Spring and Fall cleanups of the entire Montshire Museum Trail network.

Total Costs: ~\$2400
