

Date: July 2023

Location: Lyme, NH

Project Partners:

Upper Valley High School Trail Corps

Lyme Foundation

Lyme Conservation Commission

Project Overview:

UVTA with the High School Trail Corps constructed an accessible trail through the Chaffee Wildlife Sanctuary in Lyme, NH.

Accomplishments:

- Constructed 1/3 mile hardened surface accessible trail to bird blind.
- Constructed ramp to access bird blind and connect to accessible trail.
- Improved and widened the existing parking lot.

Total Costs: ~\$10,000
