

Date: June 2023

Location: Hanover, NH

Project Partners:

Upper Valley High School Trail Stewards
Hanover Trails Committee

Project Overview:

Installed bog bridges, built a reroute, and connector trail along the Moose Mountain Ridge Trail in Hanover, NH.

Accomplishments:

- Constructed three 12' bog bridges.
- Extensive drainage work to mitigate wet areas.
- Construction of a 1/3 mile connector trail.
- Reroute of existing Moose Mountain Ridge Trail section.

Total Costs: ~\$2,000
